CLAIMS

1. A method of obtaining a system,
the method comprising the following method steps:
step1,
step2, and
setp3.
2. The method of claim 1, wherein
A is B.
3. The method according to any one of the preceding claims, wherein
A comprises C.
4. The method according to any one of the preceding claims, wherein
A comprises D and F.
5. The method of claim 4, wherein
in a further method step A is arranged on D.
6. The method according to any one of the preceding claims, wherein
A is F.
7. The method according to any one of the preceding claims, wherein
in a further method step B is arranged on F.
8. A method of obtaining a system,
the method comprising the following method steps:
step3,
step4, and
setp5.
9. A system obtained according to any one of the preceding claims.
